# It's all about YOUR STYLE

## CASUAL CHIC

Hayley Marin

Hayley describes her style as colorful and casual. Her inspiration is Lauren Conrad. We asked her to describe her closet in one word and she said "simple." Her favorite brands include Hollister, American Eagle and Forever 21. We love her style because she takes LA street style to school casual chic. Hayley's can't live without items: distressed jeans, UGGS, decorative tank top, her scarves and belts

## ROCKER CHICK

Charlotte Sanfilippo

We chose Charlotte because she has original style that is irreplaceable. Her style is best described as rocker chick. Her muses are boy bands. She loves what Avril Lavigne and Gwen Stefani wear. She likes to buy from an indie label called Glamour Kills. She changes her hair color often because she likes changes. A few things from her closet: collection of bracelets, skinny jeans, hair bow, homemade rock band t-shirt

## VINTAGE

Maddie Bouwman

Maddie's style is expressive and vintage. She says that inspiration can be from anything. She loves Kreyashawn's style. Maddie loves to shop at Anthropologie and Urban Outfitters. We love her style because she takes vintage clothing and makes it school appropriate. ways. Her favorite items from her closet: TOMS; American Eagle jeans

2011 thru 2012...

#TOPHASHTAGS #EGYPT / #THREEWORLDTOLIVEBY / #SUPERBOWL / #JAPAN / #IDONTUNDERSTANDWHY

**WAVES OF CHANGE** Former Egyptian President Hosni Mubarak, who had been in power since 1981, was ousted in 2011.

He was later put on trial for allegedly ordering the killing of protesters. **EGYPTIAN PROTESTERS** Waving their national flag and shouting slogans, thousands crowded Cairo's Tahrir Square to demand political change as anger grows with the military rulers over the slow pace of reform. **TOGETHER IN PROTEST** The flags of Syria, Tunisia, Yemen, Egypt and Libya were painted on participants' palms during a demonstration in Yemen.

## ARAB SPRING

**PROTESTS ACROSS THE MIDDLE EAST** brought changes to Arab nations large and small. Uprisings began in Tunisia, where, as 2010 ended, a young vendor protesting the confiscation of his wares set himself on fire. Discontent spread to Egypt and Yemen as 2011 began, and in the months that followed those governments and leaders from Bahrain, Libya and Syria were under siege. By year's end, the presidents of Tunisia, Egypt and Yemen had stepped down and Libya's Moammar Gadhafi and his son Mutassim had been assassinated. Tunisians went to the polls in October 2011 and the Egyptian election took place just a month later. The protests continued despite high costs: thousands of lives (5,000 in Syria alone) and billions of dollars were lost.

**10 YEARS LATER** Dedication ceremonies for the families of victims marked the anniversary of the attacks on the World Trade Center, while the 9/11 Memorial on the 16-acre site of the former WTC complex opened to the public the following day. The memorial's reflecting pools, set within the footprints of the original twin towers, are surrounded by names of the nearly 3,000 victims. **MEDAL OF HONOR** Marine Corporal Dakota Meyer was awarded the Medal of Honor after saving 36 lives in Afghanistan. **MORTGAGE RATES AND FORECLOSURES** Housing prices continued to fall as more than a quarter of all American homeowners owed more on their mortgages than their homes were worth. **UNEMPLOYMENT** While January 2012 data showed a national unemployment rate of just 8.3% — the lowest in more than three years, economists warned that the encouraging report might be the result of factors like discouraged job seekers giving up the hunt for work as much as economic growth.

**OSLO ATTACKS** People laid flowers in memory of the victims of a pair of attacks in Norway that claimed 76 lives on July 22. A shooting spree at a youth summer camp occurred just two hours after a car bomb explosion near the Prime Minister's office. **EUROPEAN DEBT CRISIS** Financial woes abroad continued as investors feared government debt levels precluded some countries' abilities to prevent economic collapse. ### EAST COAST QUAKE

The 9.0 temblor, which lasted nearly five minutes, caused tsunamis that flooded cities more than five miles inland and sent tidal waves crashing to the United States. In addition to local damage done by the earthquake and accompanying tsunami, the event crippled three Fukushima nuclear reactors, releasing dangerous levels of radiation.

## LOCKOUT DRAMA

### COLLECTIVE BARGAINING PITTED PLAYERS

**AGAINST OWNERS** in both the NBA and NFL. Sports fans feared the worst but both leagues were able to agree in time to save most of their regular seasons. In the NBA, the focus was primarily on cutting player salaries to help struggling teams. Both sides remained far apart on just about every major issue. They settled in late November, agreeing to a 66-game schedule, with the first games set for Christmas Day, cutting two weeks off the regular season. The NFL lockout lasted from March 11 to July 25. Once an agreement was reached, the players won additional benefits; the continuation of a 16-game regular season schedule, improvements in player safety and increased injury protection. Almost as soon as an agreement was reached, trades, deals, cuts and contracts were made.
